1 *slow and free*

Mu yun shou jin han, Yin Han wu sheng zhuan yu pan.
Sunset's clouds gather together flowing pure and cool, the Milky Way, soundlessly, circles the moon.

② 此夕何處看？明年明月何處看？

5

Ci sheng ci ye bu chang hao, ming yue ming nian he he chu kan?
This life, this evening it cannot always be so good; The bright moon next year: from where will I see it?

此夕何處看？明年明月何處看？
